

Università degli Studi di Torino

Dipartimento di Scienze della Sanità Pubblica e Pediatriche

Dipartimento di Chimica

Dottorato in Medicina Molecolare

Carbon-Based Nanomaterials: From Nanosafety to Nanomedicine

Prof. Bengt Fadeel

*Institute of Environmental Medicine
Karolinska Institutet, Stockholm*

Understanding the Nanomaterials Interaction with Biomolecules, Relevance for Nanomedicine and Nanotoxicity

Prof. Marco Monopoli

*RCSI Chemistry
Royal College of Surgeons in Ireland*

Monday, 3rd February 2020

10:00 AM

aula Copernico

Molecular Biotechnology Centre

Via Nizza 52 Torino
