

**Università degli Studi di Torino**  
PhD Programme in  
Chemical and Material Sciences XXXII Cycle

**PhD defense:**

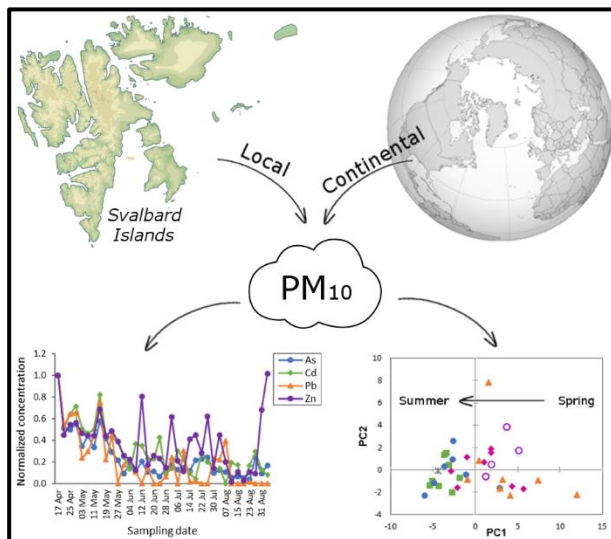

**Eleonora Amante**

**Chemometric interpretation of  
targeted and untargeted metabolomics  
for the investigation of clinical diseases  
and sport induced deviations**

**Eleonora Conca**

**Atmospheric particulate matter as  
marker of environmental  
response to climate change and  
anthropogenic impact**

Supervisors: Prof. **Marco Vincenti**

Prof. **Mery Malandrino**

Jury Members: PhD. **Silvia Berto**,  
Dep. of Chemistry, University of Turin

PhD. **Anna Annibaldi**  
Dep. of Life and Environmental Sciences, Polytechnical University of Marche

Prof. **Marina Cocchi**  
Dep. of Chemistry, University of Modena and Reggio Emilia

**22 November 2019, h. 10:00**  
**Via P. Giuria 9, Torino – Department of Chemistry, Room D1**
