Europe: Research Office View Myth-busting for research managers

Being able to refute mistaken beliefs about research funding should be part of every research manager's skillset, says Dipti Pandya, senior manager, research programmes, at University College Dublin Research and Innovation.

Welcome to the **Università degli Studi di Torino** start page on Research Professional.

The **Università degli Studi di Torino** (UniTo) is one of the largest Italian Universities, with about **70.000 students**, **3.900 employees (academic, administrative and technical staff)**, **1.800 post-graduate and post-doctoral research fellows**. Research and training are performed in 27 Departments, encompassing all scientific disciplines.

According to ARWU international ranking, UniTo is ranked among the top 300 universities out of 1.200, together with other five Italian universities. With reference to the most recent national evaluation of the Italian university system (VQR 2011-2014), UniTo is ranked **in the top three Italian universities** in nine scientific areas out of 16.

As for internationalization UniTo is involved in about 450 cooperation agreements with institutions all around the

The Irish Research Council is delighted to announce the Advanced Laureate Awards 2018 call is now open for applications. The Council is inviting applications from established researchers in any discipline at an advanced-career stage for up to €1 m.

Funding will be awarded on the basis of excellence following a peer-review process and must be held at an eligible institution in Ireland.
